The Schwerin-Goerries (II 54/T 46) airfield was not occupied by Soviet Air Force units. No reconditioning work was being done on the destroyed buildings. The approach road to the field had been repaired by the Bauunion Firm stationed not far from the field. Soviet Army soldiers wearing black-bordered, red epaulets were quartered in the kasernes on the northeast edge of the field.

25X1A [REDACTED] Comment:

No changes occurred at the field as compared with observations of previous months. The information [REDACTED]
